^ Yi Bingshou's Chinese calligraphy of clerical script

About XinHanLi

XinHanLi is a modern clerical style font which was based on Yi Bingshou's clerical calligraphy.

The typeface is a low-contrast design, with a slightly extended shape which grasps the overall temperament of the flat and stocky clerical script. Its slight irregular curvature makes the appearance lively.

J'ai soudain le sentiment étrange d'être en harmonie avec moi-même, tout est parfait en cet instant, la douceur de la lumière, ce petit parfum dans l'air, la rumeur tranquille de la ville. J'inspire profondément car la vie me paraît alors si simple, qu'un élan d'amour me donne tout à coup envie d'aider l'humanité tout entière.
